We appreciate your continued interest in the Karina Vetrano Memorial Fund and the scholarship in her name at Arch Bishop Molloy HS in Queens, NY.

Because of the multiple fund raisers, the Karina Vetrano Memorial Fund has recently awarded the first scholarship to a very deserving young woman. All who made this possible are very thankful and as a result we are having the second annual golf outing at Upper Montclair CC in Clifton, NJ on Thursday, September 27th to help further fund this scholarship.

The day will include lunch, use of the driving range, golf, access to locker rooms, lockers, showers, cocktails and dinner.
