## **OUTSTANDING SENIOR ATHLETE AWARD**

The Outstanding Senior Athlete Award is presented to the best male and female athletes in the senior class. This is a very difficult award to determine because of the outstanding achievements of our senior class. It was especially difficult this year because some of our Student-Athletes did not get the opportunity to complete their athletic careers. The award is named after Coach Jack Curran the baseball and basketball coach at Archbishop Molloy for 55 years. It is known as the Curran Award.

This year's finalists were all captains of their teams. Four were multiple sport athletes. Four of them were selected to the Mayor's Cup team which pits the best athletes from the CHSAA against the best of the PSAL. Together they were selected to All Tournament Teams 18 times. They were All League 18 times, won 11 League Championships, 5 City Championships, reached the State Playoffs 15 times while winning the State Championship 4 times. Collectively, they epitomized the qualities of leadership and character that are expected of Molloy Student-Athletes. Most importantly they were all great teammates.

These awards will be presented by our President Mr. Richard Karsten.

This year's female recipient is a four-year varsity athlete. She was a multiple sport athlete. She was a captain as a senior. She was an All-League player as well as being All Tournament Team member 4 times. She was on 4 teams that won B/Q Championships. Three teams that won City Championships. She was on teams that reached the State Playoffs three times, reaching the Semi-finals twice and the finals once. She has a career strikeout total of 796 which in the North east is an incredible number. Also, all of these accomplishments have been achieved during only three years of competition because she lost out on her spring season due to the pandemic.

She will be attending Seton Hall in the Fall on a full scholarship.

The 2019-2020 Jack Curran Outstanding Female Senior Athlete is

**Kelsey Carr**

This year's male recipient is a four-year varsity athlete. He was captain as a senior. He is a four-time State finalist. He was second in his league 2 times and first in his league one time. While at Molloy, he was part of a team that won 5 Championships. The BQ Championship three times and the City Championship two times. As of now he has five 300 games to his credit.

He will be attending William Patterson in the Fall
